

PERMIT & INSPECTION DIVISION
City of Mandeville
Parish of St. Tammany
3101 E. Causeway Approach
Mandeville, LA 70471

INSPECTION STATEMENT
FOR RESIDENTIAL MODULAR BUILDINGS

Date: _____

Project: _____

Address: _____

This is to advise that all inspections for the modular building constructed at:

_____ and to be relocated to

_____ were inspected by me and/or under my direct supervision. All inspections indicate that subject building is in compliance with the plans and specifications submitted and reviewed by the City of Mandeville Planning & Permit Department for code compliance.

I hereby certify that all inspections were performed approved under the guidance of the 2003 edition of the International Residential Code (one and two family dwelling code), 2005 edition of the NEC electrical code, 2000 edition of the LA State Plumbing code, and 2003 International Mechanical code as reviewed by this office.

5.4.6 Requirements for Moving Permits

A moving permit shall be required prior to the relocation of any principal building or accessory structure from an existing location. Plans adequate to fully describe the moving shall be submitted to the Building Inspector and reviewed by the Director of Public Works and the Chief of the Mandeville Police Department prior to the issuance of a moving permit. The following items shall accompany any application for a moving permit:

1. Completed Permit Application
2. Approved building or renovation permit including a new foundation in the scope of work
3. Boundary surveys of the existing and proposed sites
4. Site Plan – site plan shall be fully dimensioned and drawn to scale showing all structures and buildings and their existing and proposed locations
5. Travel route map – a detailed map of the proposed route of travel
6. Time schedule – a detailed time schedule stating the proposed beginning and ending times that the building or structure would be traveling on the public roadways
7. Estimated total weight of the moving apparatus including the weight of the structure or building
8. Any other information determined to be required by the Building Inspector, Director of Public Works, City Planner, City Engineer or the Chief of Police in order to document compliance with the requirements of these regulations for the issuance of a permit.
