Eve & Orpheus set to Roll

The Krewe of Eve is set to roll Friday February 17th and Orpheus is set to roll Friday February 24th. The streets will close at 6:00p.m. so we are urging everyone to plan their trips accordingly. The parades will begin at the overpass on Highway 190/Highway 22 and travel west before turning onto West Causeway Approach. From West Causeway Approach the parade will turn on East Causeway and continue eastward, ending in front of Mandeville City Hall.

The Mandeville Police Department would also like to remind those attending the parades that parking on the parade route is limited. By ordinance there is no parking on the parade route until 24 hours prior to the start of the parade (6pm on the 17th & 24th respectively). “No Parking” laws will be strictly enforced, especially around intersecting streets and driveways. Any vehicle parked in violation will be towed at the owner’s expense.
