

**Special Events Committee
January 8, 2015**

The meeting was called to order by Chairman Guy Stacy and the secretary called the roll.

Present: Guy Stacy, Fire Chief Rick Tassin, Fire Prevention Officer Jason Kaufman, and Maria Radosta

Absent: Lt. Gerald Sticker and Chris Freret

There was an error to correct Ms. King's name on page 3. Mr. Kaufman moved to adopt the minutes of November 6, 2014, seconded by Chief Tassin and was unanimously approved.

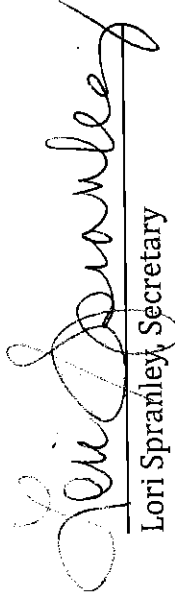

The only application discussed was **Woodlake Elementary School's Turbo Turtle Race/Run/Festival**. It was discussed that number 3 on the application could contain the name of the contact and not the organization.

Chief Tassin moved to recommend approval of the application with the requirement for the placement of a dumpster to hold the trash, waiver of eating and drinking on the lakefront and naming the City of Mandeville as an additional insured, seconded by Mr. Kaufman and was unanimously approved.

The electrical poles on the lakefront were discussed since there were numerous events that were proposed in the next few months that would require electricity. Mayor Villere had stated there was no electrician on staff at this time to permanently connect the poles. There was a discussion about the connection being padlocked, but that would require a City worker being on call with a key to turn the electricity on and off. There was also a concern if there was an electrical problem not being able to have immediate access to the pole. It was requested to ask Mr. DeGeneres where he was in the hiring process.

Mr. Stacy moved to adjourn the meeting, seconded by Mr. Kaufman and was unanimously approved.
